

« Vision and Outlook for the Elastomer industry »

Technical Seminar
June 18, 2024
Le 253, Paris

*Conference Program
&
Terms of Registration*

60, rue Auber
94408 VITRY SUR SEINE
CEDEX
info@aficep.com

Conference Program

- **8 h 30** **Reception**
- **9 h 00** Introduction of the Technical Seminar by **Philippe DABO (AFICEP Chairman)**
- **9 h 10** Presentation of some **POLYMERIS** projects by **Adrien SIMON**
- **9 h 20** **Corinne BILLERAULT – ELANOVA ÉDUCATION (France)**
« Rubber training: a French specificity »
- **9 h 35** **Estelle RIVAULT – UNM (France)**
« Standardization in the rubber industry »
- **10 h 00** **Islem BELKHOUS – ELANOVA (France)**
« Supporting the metamorphosis of the rubber industry »
- **10 h 25** **Christophe WILMORT – MAYFAIR VILLAGE (France/Canada)**
« What impact does AI have on R&D and the elastomer industry? »
- **10 h 50** **Coffee Break**
- **11 h 20** **Christian AUBERT – C2MI (France)**
« A vulcanization booster for all your molds »
- **11 h 45** **Stéphane DELAUNAY & Jean-Maurice BEURRIER – ELANOVA/UCAPLAST (France)**
« Minimizing the energy consumption of a rubber injection molding machine by studying different mold heating configurations »
- **12 h 10** **Alison ROBERT – LESCUYER & VILLENEUVE (France)**
« Latest technological advances in elastomer processing »
- **12 h 35** **Lunch**
- **14 h 05** **Michel DORGET – GUATECS (France)**
« Towards a Worldwide Guayule Rubber Supply Chain! »
- **14 h 30** **Stéphane PIERRE – CEHTRA (France)**
« Current and future REACH regulatory constraints for elastomers »
- **14 h 55** **Enrico KOGGEL – CIRCULAR RUBBER PLATFORM (Netherlands)**
« Closing the loop: bridging the knowledge gap to accelerate circular innovation »
- **15 h 20** **Coffee Break**
- **15 h 50** **Dominique FROMAGEOT – CNEP (France)**
« Ageing and durability of polymers: How can we characterize polymers and predict their lifetime? »
- **16 h 15** **Alfredo DEFRANCISCI – ARKEMA (France)**
« Replacement of dicumyl peroxide in polymer crosslinking »
- **16 h 40** **Serge BOUVIER – CELANESE (USA)**
« Vamac® Ethylene Acrylate Elastomers - E-Mobility and Sustainability »
- **17 h 05** **Conclusions of the day**
- **17 h 15** **End of seminar**

« Vision and Outlook for the Elastomer industry »

REGISTRATION FEE:

AFICEP MEMBER (2024 cotisation fee duly paid)	NON-MEMBER
☐ 350.00 €	☐ 580.00 €

Registration fee includes:

- Admission to the conference sessions
- Coffee breaks
- Lunch

REGISTRATION:

- Online, through Weezevent:

<https://my.weezevent.com/vision-et-perspectives-pour-la-filiere-elastomeres>
