Conference Program

● 8 h 30	Reception
● 9 h 00	Introduction of the Technical Seminar by Philippe DABO (AFICEP Chairman)
● 9 h 15	Presentation of some POLYMERIS projects by Martin PAJOT
● 9 h 25	Jean-François MALIGNON – ELANOVA (France) « Regulatory developments and news on chemicals in the rubber industry »
● 9 h 50	Alexis COLIN – CTTM (France) « Impact of extraction conditions on the quantification of low molecular weight siloxane residues in silicone materials »
● 10 h 15	Coffee Break
● 10 h 45	Claire CHARLOT – SAFIC ALCAN (France) « Tools to help in the design of greener formulations and to reduce your carbon footprint »
● 11 h 10	Didier PLUQUIN – SI GROUP (France) « Bio-sourced Rubber Curing Ultra-Accelerator For Tires & Technical Rubber Goods Applications »
● 11 h 35	Pascal SAINT-LOUIS-AUGUSTIN – ARKEMA (France) « Alkylphenol polysulfides: nitrosamine-free vulcanizing agents »
● 12 h 00	Lunch
● 13 h 45	Denis MERCIER – SIGMA ENGINEERING (Germany) « Mechanical properties of parts, taking into account processing history »
● 14 h 10	Julien LAGUÉRIE – CHEMOURS FRANCE (France) « Technical Results and Processing Performance of New Viton™ FWRD APA Fluoroelastomer »
● 14 h 35	Andreas KAISER – ARLANXEO DEUTSCHLAND (Germany) « Elastomers resistant against oxymethylene ethers (OME) »
● 15 h 00	Coffee Break
● 15 h 30	Éric MARTY – CNIM SYSTÈMES INDUSTRIELS (France) « Qualification of a substitute elastomer material for a strategic application »
● 15 h 55	Christian WAHLEN – ALLNEX (Germany) « Innovative Additive Solutions for Sustainable Tire Manufacturing »
● 16 h 20	Étienne DELEBECQ – HUTCHINSON RESEARCH CENTER (France) « Innovative reinforcement of elastomers »
● 16 h 45	Conclusions of the day
● 17 h 00	End of seminar

«Novelties in Elastomers and Regulations »

REGISTRATION FEE:

AFICEP MEMBER (2023 cotisation fee duly paid)	NON-MEMBER
☐ 350.00 €	☐ 580.00 €

Registration fee includes:

- Admission to the conference sessions
- Coffee breaks
- Lunch

REGISTRATION:

- Online, through Weezevent:
