Engineers - AFICEP*

e-RUBBERCON 2020

Dear colleagues,

AFICEP, the **French Association of Rubber and Polymers Executives and Engineers** will organize the **RubberCon 2020**. Due to the current health situation, the event will be held as an online virtual conference.

*But what is a **RubberCon**?*

The **RubberCon** is an international event that takes place alternately in Europe, Asia and America.

It is organized under the auspices of IRCO, the **International Rubber Conference Organization** of which AFICEP is a member.

During two days of conferences (with several sessions in parallel), it deals with specific themes dedicated to the elastomer industry.

The AFICEP has obtained the organization of the **RubberCon 2020** that will take place on **11 and 12 February 2021 online** on the theme "**Environment and Recycling: A Strategic Challenge for Rubber Materials**".

Several topics of importance for our profession will be addressed:

- **Sustainable Materials**
- **Health & Safety**
- **Processing**
- **Properties & Environmental Impact Performances**
- **Applications & Use**
- **End of Life of Rubbers**

We hope that all the participants will find satisfaction and have a pleasant time,

The AFICEP Bureau
