RUBBERCON 2020

Dear colleagues,

AFICEP, the French Association of Rubber and Polymers Executives and Engineers will organize the future **RubberCon 2020** in Paris.

But what is a **RubberCon**?

The **RubberCon** is an international event that takes place alternately in Europe, Asia and America.

It is organized under the auspices of IRCO, the International Rubber Conference Organization of which AFICEP is a member. During two days of conferences (with several sessions in parallel), it deals with specific themes dedicated to the elastomer industry.

The AFICEP has obtained the organization of the future **RubberCon 2020** that will take place on **4 and 5 June 2020 in PARIS** on the theme "**Environment and Recycling: A Strategic Challenge for Rubber Materials**"

Several topics of importance for our profession will be addressed:

- **Sustainable Materials**
- **Properties & environmental Impact Performances**
- **Processing**
- **Applications & use**
- **End of Life of Rubbers**
- **Health and safety**

We hope that all the participants will find satisfaction and have a pleasant time in Paris.
